ADVANCED DRIVER ASSISTANCE SYSTEMS (ADAS)

Smarter technology for safer journeys.

ADAPTIVE CRUISE CONTROL WITH STEERING SWITCH

Maintains a safe distance
from the vehicle ahead and
helps keep you centred in
your lane for a more
relaxed drive.

AUTOMATIC HIGH BEAM

Automatically switches
between high and low
beam to improve
visibility at night
without dazzling
other drivers.

FORWARD COLLISION MITIGATION SYSTEM WITH PEDESTRIAN DETECTION

Helps detect vehicles
or pedestrians ahead
and can warn, brake or
reduce engine power
to help avoid or
mitigate a collision.

LANE CHANGE ASSIST

Helps monitor blind spots
when changing lanes
and provides visual
and audible alerts
to help you move
with confidence.

REAR CROSS TRAFFIC ALERT

Warns you of
approaching
vehicles when
reversing out of
parking spaces.

LANE DEPARTURE WARNING

Alerts you if the
vehicle starts to
unintentionally
drift out of its lane.

BLIND SPOT WARNING

Detects vehicles in
your blind spot and
alerts you to help
prevent unsafe
lane changes.

PARKING SENSORS FRONT AND REAR

Audible alerts help you
detect obstacles in front
and behind the vehicle
for easier parking
and manoeuvring.

TOUGH OUTSIDE. SMART INSIDE.

BUILT TOUGH

Tested to perform in
the toughest
conditions.

POWERFUL PERFORMANCE

Bi-Turbo diesel
power when you
need it most.

ADVANCED SAFETY

Packed with intelligent
technology to help
keep you and your
passengers safe.

COMFORTABLE PRACTICAL

Designed for comfort
and built for the
demands of
everyday life.
